TERMS AND CONDITIONS

The ticket holder acknowledges that there is a "HERO INSIDE" each one of us. But that hero, for now, must truly remain inside.

That truly being a HERO does not take a lot of effort, it is about the little things you do.

Being a hero can mean many things. It can be the fact that you do not let time pass you by without acknowledging the people in your life, and telling them you care. That you will not let social distancing become a social barrier.

A hero is someone who does not give up, in spite of whatever walls or obstacles may be in their way, you will "not stop running" - ever. You recognize that "Pain is inevitable, but Misery is a Choice"

The ticket holder also acknowledges that a hero can also be someone who tries to take steps outside their own boundaries every day, to positively effect the lives of those around them. You know that life is not about the big leap, it's about taking the first step, and then the next, and the next....

The ticket holder will do what is best for their community and loved ones, and stay sheltered at home. You will also take this time to truly cherish what you have, the people you love, and all that you can (and will) do in this life to make an impact. Never stop being AMAZING!!!
